Write an email from a student to an internship coordinator at a company, expressing interest in a summer internship opportunity.

Subject: Expression of Interest: Summer Internship Opportunity - Aryan Sharma

Dear Internship Coordinator,

I hope this email finds you well.

My name is Aryan Sharma, and I am currently a first-year Computer Science and Engineering student at VIT Bhopal University. I have been following 'TechNova Solutions' for some time and am particularly impressed by your recent work in developing AI-driven automation tools.

I am writing to express my strong interest in a summer internship opportunity at your esteemed organization for the upcoming break. Having built a solid foundation in Python and C++, and with a keen interest in Machine Learning, I am eager to contribute to your technical team while gaining hands-on industry experience.

I have attached my resume and GitHub profile link for your review. I would welcome the opportunity to discuss how my skills and passion for software development could align with the goals of your team.

Thank you for your time and consideration.

Sincerely,

Aryan Sharma +91 91234 56789
